- 5. CONSENT CALENDAR: None.
- 6. PUBLIC COMMENT: Wendy Mines and Barbara Cox, Nutrition Site Council, wanted the Board to understand that the Nutrition Site Council was created to help generate funds for the operation of the City's Senior Center. Mines explained that the funds come from Bingo, pastry sales, coffee bar sales, and trips. It's a volunteer run program, no one is paid from the funds, and they give the Senior Center \$100,000 per year for the nutrition and transportation programs. In addition, the Nutrition Site Council funds entertainment and various programs directly throughout the year. Their goal is to help support the Senior Center. Mines thanked Supervisor Tessier and Coordinator Madonich for their work at the Senior Center, especially after the incident that left part of the Senior Center closed. Due to the incident they've experienced income loss in their coffee and pastry sales, and Bingo has not been able to continue because of the closure of the multipurpose room in the Senior Center. They are seeking permission from the Board to support their request to the City to be able to continue Bingo in the eastern half of the multipurpose room in the Senior Center. Chair Goff responded that they will add it to the Board's next agenda so they can discuss and vote on the topic.

7. CONDUCT OF BUSINESS:

- a. Treasurer's Report June 2017 Treasurer's Report filed for audit.
- b. Receive and File Monthly Information and Referral, Class Attendance, Nutrition Site Reports and Senior Center Historical Front Desk Sign In Data Monthly Information and Referral Report and Nutrition Site Report were distributed and

- reviewed, received, and filed for June 2017.
- c. Receive and File Minutes of Program Committee and Events Committee Supervisor Tessier informed the Board that there had been many changes to the class and dance schedules and locations because of the incident that left the Senior Center's multipurpose room unavailable for use. She also informed them that Frank Damon would like to introduce a new class called "Distinguished Americans". MSC Carmichael/Luzaich to run the "Distinguished Americans" class at the Senior Center. Approved unanimously.
- 8. UNFINISHED BUSINESS: None.
- ITEMS FROM MEMBERS AND SUBCOMMITTEE REPORTS: Board Member Luzaich wanted to commend Supervisor Tessier and Coordinator Madonich on the excellent job they have been doing in transitioning and informing patrons that use the Senior Center since the incident occurred.
- 10. ITEMS FROM STAFF: Supervisor Tessier told the Board that the Senior Center lunch program would be held at St. Robert's Church until Wednesday, August 16. There would be no lunch program offered on Thursday, August 17 or Friday, August 18. The lunch program would resume on Monday, August 21, at the Veterans Memorial Recreation Center. She added that some classes will also be moved to the Veterans Memorial Recreation Center and some will remain at the Senior Center. Board Member Carmichael asked if the City was paying St. Robert's for the space they were currently using for the lunch program and staff replied that they would update the Board on that in their August meeting.
- 11. ADJOURNMENT: Chair Goff adjourned the meeting at 10:07 a.m.

Respectfully Submitted, Ludmer Aker Executive Assistant City of San Bruno

COMMUNITY SERVICES DEPARTMENT

DATE:

August 16, 2017

TO:

Senior Citizens Advisory Board

FROM:

Danielle Brewer, Community Services Superintendent

SUBJECT:

Update on Bocce Ball Court Construction

BACKGROUND:

The Senior Citizens Advisory Board expressed an interest in converting the current Bocce Ball court from oyster shells to a synthetic sand in filled court. This conversion will reduce the amount of maintenance needed for the court as well as allow for play to continue during inclement weather.

Staff researched other cities who have converted their courts to synthetic recently. The cities are pleased with the transition and have recommended the use of South West Green Synthetic Turf and product as the preferred material for the project. The material is excellent quality and will provide a long lasting life for the court.

DISCUSSION:

Funding from the Senior Center Trust Fund for the bocce ball court project was approved with the 2017-18 Fiscal Year Budget. The current Bocce Ball season ends in early October and the following league begins in late October. Staff has contacted the company and has requested the work begin on October 4, 2017. The company will schedule the work to be done between the two seasons as to not impact the league play.

FISCAL IMPACT:

The Senior Advisory Board Trust Fund will pay for the Bocce Ball Court project.

The estimated cost is broken down as follows:

Removal of Oyster Shells	790.00
Debris Box	1,500.00
Landscape Fabric	500.00
Bocce Ball Court Materials	6,000.00
Installation	8,000.00
Drainage (if necessary)	1,270.00
Tax	585.00
Total	18,645.00
